ARTICLE 15 – REDUCTION OF STAFF

15.0 In the event that the board determines to reduce staff, employees will be laid off under the following procedures:

- A. The Board shall first layoff probationary bargaining unit members, then the least senior bargaining unit members. In no case shall a new employee be employed by the Board while there are laid off bargaining unit members who are qualified for a vacant or newly created position.

A bargaining unit member whose position has been eliminated due to reduction in workforce or who has been affected by a layoff/elimination of position shall have the right to assume a position within the member's present classification for which he/she is qualified and which is held by a less senior bargaining unit member who has the most comparable hours. The bargaining unit member may take a vacant position within the bargaining unit for which he/she is qualified, or the member may bump the least senior member of another classification who has the most comparable working hours if the member is qualified for the position. A bargaining unit member must exercise his/her right to bump by written notice to the Superintendent or his/her designee within five (5) workdays after receipt of a layoff notice.

Bargaining unit members will be notified of displacement or the layoff ten (10) working days prior to the effective date.

- B. "Length of service with the District" shall run from the first date of hire as a permanent employee within the bargaining unit.
- C. **RECALL.** When the workforce is increased after a layoff, bargaining unit members will be recalled by bargaining unit seniority, with the most senior bargaining unit member being recalled first, provided the member has the qualifications and ability to perform the work. Bargaining unit members shall not be required, however, to accept recall to a classification other than that from which they were laid off. A bargaining unit member who accepts recall to a classification, other than the classification held when laid off, shall have the right to fill the first vacancy in his/her former classification.
- D. **NOTICE OF RECALL.** Notices of recall of bargaining unit members on permanent layoff shall be sent by certified or registered mail to the last known address as shown on the Board's records. The recall notice shall state the time and date on which the bargaining unit member is to report back to work. It shall be the bargaining unit member's responsibility to keep the Board notified as to his/her current mailing address. An bargaining unit member on layoff shall be given at least five (5) work days from receipt of notice to report to work. The Board may fill the position on a temporary basis until the recalled bargaining unit

member can report for work, providing the bargaining unit member reports within the five (5)-day period.

- E. **SUBSTITUTE PRIORITY.** A laid off bargaining unit member shall upon application, and at his/her option, be granted priority status on the substitute list according to his/her seniority, provided the laid off bargaining unit member has the qualifications and ability to perform the work. A laid off bargaining unit member who repeatedly refuses substitute work may be removed from the substitute list.
- F. Assuming the laid-off bargaining unit member is assigned to the same classification and reports for duty the first opportunity following such lay-off, when properly recalled under the Master Agreement, (1) seniority gained during past employment shall be retained and restored at the time of his/her recall and, (2) accumulated sick leave days shall not be cancelled as a result of said lay-off but shall remain credited to his/her use that year and thereafter unless sick leave has been paid out according to Article 10.11 provisions.
- G. Temporary, probationary and substitute personnel shall be laid off before any regular bargaining unit member is laid off.
- H. Bargaining unit members shall have rights to recall for three (3) years from the date of layoff.

ARTICLE 16 – STRIKES AND RESPONSIBILITIES

16.0. The Association agrees, on its own behalf that:

- A. During the life of this Agreement, neither the Association nor any of its agents, or persons acting in its behalf, shall cause, authorize, or support nor shall any of its members take part in, any strike, that is, the concerted failure to report to work, or willful absence of any employee from his/her position, or stoppage of work or abstinence, in whole or part, from the full, faithful and proper performance of the employee's duties of employment for any purpose whatsoever.
- B. If the Association disclaims in writing to the Board responsibility for any activity prohibited hereby, it shall not be liable in any way therefore. Violation of this Agreement by any employee or group of employees shall constitute good cause for their discharge or for the imposition of discipline or penalties without recourse to arbitration, provided however, that the questions of their participation shall itself be subject to arbitration.
- C. The Board, in the event of violation of this Article, shall have the right, in addition to the foregoing and other remedies available by law, to seek injunctive relief and damages for breach thereof against the Association.
- D. The Association recognizes that supervisory, administrative, and executive officials are excluded from the bargaining unit herein.
- E. Notwithstanding the foregoing, nothing contained herein, shall be construed as a waiver of any rights of the Association or its members which they may have under Section II of Acts 336, Public Acts of Michigan for 1947 as amended by Act 379, Public Acts of Michigan for 1965 or which are otherwise provided by law.

ARTICLE 17 – GRIEVANCE PROCEDURE

17.0. For the purpose of this Agreement, the following Grievance Procedure shall be used:

- A. A claim by a member of the bargaining unit or the Association that there has been a violation, misinterpretation or misapplication of any provision of this Agreement may be processed as a grievance as provided herein.
- B. STEP I. The member of the bargaining unit or the Association shall first present the matter to the building principal or immediate supervisor within ten (10) working days of learning of an alleged violation, misinterpretation or misapplication. It is the responsibility of the bargaining unit member, during the course of the informal meeting, to notify the building principal or immediate supervisor that the discussion is step one of the grievance procedure. If satisfaction is not obtained within ten (10) working days following the informal meeting, the employee and/or the Association may proceed to Step II.
- C. STEP II - Below:
 - 1. Within ten (10) working days after not obtaining satisfaction at STEP I, the issue shall be reduced to a written grievance upon the form provided, identifying the issue or issues and stating what article or articles and sections of the contract are involved and relief requested, and presented to the building principal or immediate supervisor.
 - 2. Within ten (10) working days after the grievance has been reduced to writing, signed by the grievant or the Association and presented, the Association's grievant and one member of the bargaining unit or Association, or their representative, shall meet with the principal or supervisor and one member of the school administration appointed by the Superintendent. The administration will set the meeting at a mutually agreeable time.
 - 3. Within ten (10) working days, the principal or supervisor, and other member of the school administration shall write their answer to the grievance on the grievance form and the principal or supervisor, and other member of the school administration, the Association's representative, shall sign showing their concurrence or non-concurrence.
 - 4. Within ten (10) working days of receiving the decision reached in Step II, if the member of the bargaining unit or the Association is not satisfied with the results, they may proceed to Step III by so indicating in writing to the Superintendent.

- D. STEP III- Within ten (10) working days of receipt of written notification from the Association, the Superintendent will schedule a meeting between the grievant and one local Association member, the UniServ Director, the Superintendent and the grievant's immediate supervisor. If satisfaction is not achieved at this meeting, the member of the bargaining unit or the Association may proceed to Step IV by so indicating to the Superintendent within ten (10) working days of the STEP III response, with a copy forwarded to the Board Secretary.
- E. STEP IV- At the next regularly scheduled Board meeting, or within twenty (20) working days, the grievance will be placed on the agenda. If satisfaction is not achieved at this meeting, the Association may proceed to arbitration, within ten (10) working days.
- F. Timelines shall be strictly enforced. The failure to move a grievance to the next step shall result in the grievance being withdrawn with prejudice.

ARTICLE 18 – ARBITRATION

- 18.0 Any grievance remaining unsettled at the conclusion of the Grievance Procedure outlined in Step IV of this Agreement may be submitted to arbitration by either the Board or the Association under the following conditions:
- A. The matter to be arbitrated must concern the application or interpretation of this Agreement, either as to the meaning of its terms or as to the rights of either party under these terms, or as to whether some action, which has been taken, is justified according to these terms.
 - B. The party that chooses to submit any unsettled grievance to arbitration must notify the other party in writing within ten (10) working days of the conclusion of Step IV of the Grievance Procedure, except that either party may request in writing an extension of time to notify, but in no event shall such time limit be extended beyond forty-five (45) calendar days after the conclusion of Step IV of the Grievance Procedure. Such notification shall identify the grievance and the issue and shall state what part, or parts, of the contract is, or are, involved. Any grievance not submitted to arbitration within the time herein provided shall be deemed withdrawn.
 - C. Within twenty (20) working days after receipt of such written notice, provided for in paragraph B above, the Board and the Association shall attempt to select a single arbitrator acceptable to both parties. If no mutual selection can be agreed to, the parties will submit the selection to the American Arbitration Association for facilitation.
 - D. The rules and guidelines of the American Arbitration Association shall be followed.
 - E. The arbitrator may interpret this Agreement and apply it to the particular case submitted to him/her, but he/she shall, however, have no authority to add to, subtract from, or in any way modify the terms of this Agreement, nor shall he/she have any authority to limit or change any policies, practices or rules, except as they may involve an application or interpretation of this Agreement; nor shall he/she have any authority to formulate, or add any new policies or rules, nor substitute his/her discretion for the Board's discretion in cases where the Board is given discretion by this Agreement. In the event any disciplinary action taken by the Board is made the subject of arbitration proceeding, the arbitrator's authority shall, in addition to the limitations set forth herein, be limited to the determination of the questions of whether the member of the bargaining unit involved had been disciplined for proper cause. Probationary employees shall not have a right to proceed to arbitration concerning layoff, discipline or termination.

- F. If the arbitrator finds that the penalty assessed by the Board is excessive for the offense or offenses committed, he/she may modify that penalty. It is further understood that wage schedules incorporated in this Agreement shall not be subject to arbitration, and the arbitrator shall have no authority to establish or change any wage schedule.
 - G. The arbitration fees and expenses shall be shared by the parties involved in the grievance.
- 18.1 Retroactive Adjustments - No decision of an arbitrator or of the Board in one case shall create a basis for retroactive adjustment in any other case.
- 18.2 Withdrawal of Cases - A case on which an arbitrator has been given authority to rule shall not be withdrawn except by mutual consent of the parties to this Agreement.
- 18.3 Decisions Final - The decision of the arbitrator shall be final and binding upon the Board, the Association and the member of the bargaining unit involved.
