

Clare County

community foundation

If you are looking for a way to positively impact the Clare community and would like to have a direct effect on the lives of youth in the Clare Public Schools, please consider making a donation to the Clare County Community Foundation.

The Clare Public Schools Endowment Fund was developed to:

Support the mission of the Clare Public Schools to provide students quality education and the skills necessary to be competent, productive, and contributing members of society.

The current focus of the Clare Public Schools Endowment Fund is to provide funding for scholarships. Any amount you can provide will help fund the future of our youth in Clare Public Schools.

Please consider donating!

Sincerely,

Doniel Pummell
Superintendent, Clare Public Schools
