District Annual Education Report (AER) Cover Letter

12/17/2020:

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2019-20 educational progress for the Clare Public Schools and our schools. The AER addresses the complex reporting information required by federal and some requirements of state laws. Our staff is available to help you understand this information. Please contact Jim Walter for help if you need assistance.

The DISTRICT AER is available for you to review electronically by visiting the following web site <https://bit.ly/3oUcoRY>, or you may review a copy in the main office at your child's school. Each school will also be communicating their own AER to parents directly.

These reports contain the following information:

Teacher Qualification Data

- Identifies the number and percentage of inexperienced teachers, principals, and other school leaders
- Reports teachers who are teaching with emergency or provisional credentials
- Includes teachers who are not teaching in the subject or field for which they are certified

NAEP Data (National Assessment of Educational Progress)

- Provides state results of the national assessment in mathematics and reading every other year in grades 4 and 8

Civil Rights Data

- Provides information on school quality, climate and safety

Review the table below listing our schools. For the 2019-20 school year, schools were identified using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that has at least one underperforming student subgroup. An Additional Targeted Support (ATS) school is one that has a student subgroup performing at the same level as the lowest 5% of all schools in the state. A Comprehensive Support and

Improvement (CSI) school is one whose performance is in the lowest 5% of all schools in the state or has a graduation rate at or below 67%. Some schools are not identified with any of these labels. In these cases, no status label is given.

School Name	Status Label	Key Initiative to Accelerate Achievement
Clare Primary	No Label	Tech Integration with Wagner's 7 Survival Skills
Clare Middle School	No Label	Tech Integration with Wagner's 7 Survival Skills
Clare High School	No Label	Tech Integration with Wagner's 7 Survival Skills
Clare Pioneer High School	No Label	Tech Integration with Wagner's 7 Survival Skills

Clare Public Schools has a proud tradition of achievement and supporting students to become responsible and driven citizens who are prepared for college and/or careers. The district continues to strive to improve instruction across content areas to increase student achievement. We continue to improve our core and extra-curricular offerings by increasing technology opportunities. Moreover, our staff is driven by student achievement, not scores. We boast a wide array of athletics, arts and other extra-curricular activities that keep our students involved in the schools and community, leading to well-rounded young people who are strong individuals prepared to contribute collectively. Clare is indeed a great place to live and learn!

Sincerely,

Jim Walter, II
Superintendent
